COVID-19 HEALTH SCREENING TOOL FOR STUDENTS AND STAFF

Do not come to school, work, child care or youth programs if you:

- ✓ Test positive for COVID-19
- ✓ Show symptoms of COVID-19
- ✓ May have been exposed to COVID-19
- ✓ Are waiting to get tested or waiting for COVID-19 test results

If a student or staff member have one or more of the following symptoms, stay home and away from others, notify the school, and contact your healthcare provider:

- ✓ Fever of 100.4 degrees Fahrenheit or higher
- ✓ Difficulty or trouble breathing
- ✓ New cough or a cough that is getting worse
- ✓ New loss of taste or smell

If a student or staff member has at least two of the following symptoms, stay home and away from others, notify the school, and contact your healthcare provider:

- ✓ Sore throat
- ✓ Nausea
- ✓ Vomiting
- ✓ Diarrhea
- ✓ Chills
- ✓ Muscle pain
- ✓ Excessive fatigue
- ✓ New or severe headache
- ✓ New nasal congestion or runny nose
