## Principal's Corner

This week our students in 2nd-8th Grades had the opportunity to participate in our Lenten Reconciliation. As Fr. Gregory mentioned to the students, the Sacrament of Reconciliation is a "gift" from God to us. We are truly blessed at St. Dominic School to be a part of this gift from God!

As we mentioned last fall, this year we started our 2-year Social Emotional Learning (SEL) program implementation. This first year we have been focusing on SEL with our teachers and staff. I owe a debt of gratitude to Mrs. Anna Wagner for leading our bi-weekly SEL sessions with our staff. We are in the process of developing the SEL Program to implement with our Preschool-8th grade students Fall 2021. Stay tuned for more information.

We know this year has been "different" from normal. Part of this difference is felt by the absence of our parents and families each day at our school. With the weather getting warmer, we would like to invite parents to help with our daily recess. Our students are outside in two groups from 11:15-11:35am and 11:40am-12pm. If you would like to volunteer to help with recess duty, please contact Kayla in the school office. We would love to see our parents at school again!

Blessings,  
Dawn Biren
