

St. Dominic SCHOOL

Our Foundation. Their Future.

Saintly Service Program

Saints are very important people in our Catholic faith. They serve as a reminder of how we should live our lives to be the best person that God wants us to be. As a school this year, we will be learning about one Saint each month. Then, we will try to live our lives as that Saint did. For the month of September, we will learn about St. Benedict and the importance of “Offering Hospitality” to others. We will learn about our Saint on the first Friday of each month. Don’t forget to ask your child tomorrow of St. Benedict!

School Pictures

Our Lifetouch School Picture Day is next Thursday, September 17. (put in info about Preschool students)

Student Schedule Changes

If your child is going to be arriving late to school, leaving early, or is out sick, please contact the School Office at office@schoolofstdominic.org or 507-645-8136. The Office will then take care of letting your child’s teacher know. You may also send a message to your child’s teacher, but they are not always able to check email during the day in a timely manner. Thank you!

Masks and Face Shields

Our students are adjusting nicely to our new mask and face shield protocol. Please remember to always send a clean mask with your child to school each day. We do have extra masks at school for those times when they are forgotten at home.

After a few days of putting our plans into action, we are streamlining some of our mask & face shield protocols. You will find the updated information linked here and on our website under 2020-21 School Year. Some of the changes will give the students some choice in what they wear at different times of the day.
