

St. Dominic SCHOOL

Our Foundation. Their Future.

School Store:

In case you missed the window to purchase uniform items at Larson Printing, we have created a site with Lands End. You are welcome to purchase at any time through this [link](#).

Drive-In Bingo: Mark your calendars and join us next Friday, September 25th from 5-7pm for Drive-In Bingo! We have secured 1 food truck and will update the school's facebook event with more information next week! This event is free and open to the public! Tell your friends for a night of excitement!

MDH Decision Tree and Symptoms

On September 1 we posted the most current [MDH Decision Tree](#) for schools on our website. We are committed to following the MDH protocols to ensure the health and safety of everyone in our SDS family. That being said, it is a very detailed document. To help you better understand the symptoms to look for each morning with your student, we have created a Symptoms Health Screening document. These are the same symptoms that we look at when students begin feeling ill during the school day. Should you have any questions in understanding how to follow these documents, please do not hesitate to contact the School Office.

Calling all Substitute Teachers!

We are looking for more people to follow the call to be a substitute teacher at SDS. All you need is a 4-year college degree (in anything!) and the willingness to service the students at our wonderful school. If you have never been a substitute teacher before, we have an online training course we will provide for you. If interested, please contact Dawn Biren at dawnbiren@schoolofstdominic.org.

Now Hiring for a Health Para for SDS

The Northfield District is hiring a Health Para for our school for the 2020-2021 school year. This person will work onsite at St. Dominic School for 12.25 hours per week. Exact days and times are negotiable. If you are interested in working onsite at our school this year, please apply through the District website, [linked here](#). Make sure to select the opening for St. Dominic School.

Qualifications Required: 'AA' degree or equivalent of a combination of district training programs, experience, and course work of an equivalent nature (ie certified nursing assistant) and level to perform the requirements of the work. Duties: Will work under the direction of the District Health and Wellness Coordinator. The Health Paraprofessional provides direct and peripheral health services to students, and supports school and district-wide nursing functions. Deadline: Open Until Filled. Employment is contingent upon completion of a background check and a required pre-work screening.
