Preparing for Distance Learning

Our K-8 teachers have been busy preparing our students for our planned Distance Learning that begins on Monday, November 30, 2020. Part of the planning process was to determine a more unified daily schedule for all of our students. In this Distance Learning Document you will find information on the Daily Schedule for K-2 and 3-8 students. As a reminder, our Preschool and PreK students will continue in-person learning. Our K-8 teachers and specialists will begin sending home curriculum items for Distance Learning the week of November 16. Please make sure these are removed from your child's backpack and stored in a safe place until needed during Distance Learning. Should you have any questions, please feel free to reach out to Mrs. Biren or your child's teacher.

Toys for Tots Donations Needed!

Our 8th graders are continuing to collect new, unwrapped toys for Toys or Tots this holiday season. Our donation box is ready to be filled in our front foyer. All donations must be brought to school by Friday, November 20, 2020. Thank you for your generosity!
