## Free Lunch for 2021-2022

We are happy to announce that for the 2021-2022 school year, lunch will again be free of charge to all Preschool-8th grade students. This is due to the generous funding from the Federal Lunch Program.

We ask that if your family usually applies for Free and Reduced Lunch, that you do that again for this year. This [application](#) also qualifies us for the Title I program that funds literacy and math support at our school. For more information:
