Principal's Corner

Thank you for everyone who joined us last night for our Preschool-Kindergarten Open House. It was so much fun to see everyone and hear the sound of children in our building again!

There is a lot of information in this week's edition of Saintly News, so please read everything carefully. Should you have any questions regarding our plan for the fall or other information provided this week, please do not hesitate to contact the school.

Only 4 1/2 weeks left until the first day of school!

Blessings,
Dawn Biren

Fall Protocol Plan

We remain hopeful that this school year will look closer to normal. We know that we will not be completely back to our pre-Covid normal routines. We have finalized our [2021-2022 School Plan](#). This outlines the preventive measures that we will continue to implement this school year, as well as changes to some protocols from last year.

We carefully reviewed the guidance sent to us from CDC, MDH and the Archdiocese to formulate our plan. Please keep in mind, this is our plan as of August 5, 2021. As we all know, things can and do change quickly in regards to Covid-19 and its variants. We may need to make adjustments to our plan before school starts or even during the school year. When these adjustments are needed, we will communicate with our families as soon as possible.

Should you have any questions regarding our plan for this fall, please contact the school office or Mrs. Biren for more information.

Welcome Mrs. Bauer!

We are thrilled to welcome Mrs. Claudia Bauer to the St. Dominic Team!

She officially started as our Administrative/Marketing Assistant on Monday of this week. She has already been busy meeting staff, helping to get our school ready for the year, and preparing for the return of students in just four weeks.
