Tuition Agreements due September 1

TADS has processed all of the 2021-2022 Tuition Agreements. You should have received an email from their system, aka St. Dominic Elementary School. This is where you choose your payment plan, agree to this year's policies, and confirm your financial information for payment processing. Questions, please contact the School Office.

Snack Cart is Back!

We are excited to offer our snack cart again this year to our K-8 students. All items on the snack cart are smart snacks approved and follow the USDA smart snacks guidelines. We always offer fresh fruits and vegetables, low-fat yogurt, string cheese, and whole grain rich items such as crackers, bars, and cereal. The cost is \$84 per student for the entire year. Please note: Gr. 1-8 students who take a snack milk will also be charged \$.50 per milk. Your TADS account will be billed 1/2 in September and 1/2 in January.

Welcome New Staff Members

We are happy to introduce Ms. Brooke Viskocil as our Saint Watch Coordinator and Ms. Nica Patterson as our School Nurse!

Brooke is an SDS Alum having attended our school K-8. For the past four years, she has worked in a daycare setting, most recently as the Assistant Teacher in a toddler classroom. She is so excited to be back at our school!

Nica Patterson is our School Nurse through the Northfield District. She will be onsite in our building on Wednesdays and Fridays. She has been a labor and delivery nurse for the past nine years and is excited to transition to a new area of nursing. Nica and her family live in Northfield.
