Next week we begin our NWEA testing in K-8. All students will take both the Reading and Math tests. Please make sure that your child has a good night's sleep and a healthy breakfast in the morning.

Charges to TADS Account

It was brought to our attention this week that family TADS accounts have not been charged this year for: snack milks, cold lunch milks, second milks, and second lunches. This problem in the TADS system has been fixed, and you should see these charges on your TADS account. As a reminder, lunch is still free to families through the Federal Lunch Program.
