Principal's Corner

Thank you to everyone who attended our mass on Wednesday with Archbishop Hebda. It was beautiful to celebrate the sacrament of the Eucharist with our faith leader. After mass, he spent some time at our school talking to students and watching our middle schoolers dance in PE!

Next week is conferences. If you have not already done so, please [sign up for a time](#).

Blessings,
Dawn Biren

Welcome, Mrs. Sarah Bowles!

We are excited to announce our new Director of Development, Mrs. Sarah Bowles, who will lead our marketing, enrollment and fundraising efforts...

It is with great pleasure that I write to introduce myself as the new Director of Development. I will begin my new position on February 23. I have spent the last five years at home with our son Tommy, who is now in preschool at St. Dominic. Before that I worked in higher education in athletics marketing. My professional career has seen me work at Arizona State, UConn and Maryland.

Maryland is where I met my husband, Ryan, who is the Athletic Director at St. Olaf. My athletics marketing background saw me run events, create and execute digital, social and traditional marketing plans, and develop and foster relationships with students, coaches and donors. All of which will contribute significantly to this position.

While I loved college athletics, I am extremely excited to now call St. Dominic home. As a child, I attended St. Hubert's Catholic School in Chanhassen. Our school's mission speaks directly to my heart, and I cannot wait to make a difference for our students and community.

I look forward to working with many of you in the coming years.

Sarah Bowles
Director of Development
