Peace of Mind and Social Emotional Learning Opportunities

This year we have been lucky to partner with CSCOE and Phoenix Counseling Service to provide mental health programming for our students, staff and families. Here are some upcoming opportunities!

SEL at Home — April 21, 7 p.m.

Social and Emotional strategies have long been known to enhance family life and parenting effectiveness. In this session we will talk about what SEL strategies are and what they are NOT in relation to parenting your children. You will leave with concrete strategies to better understand your children, to bolster your relationship and to create a calmer home. [Click here to register](#)

SEL Summer Experience for girls grades 1-8 through *Camp I Can*. This camp will be led by our very own Phoenix School Counselor, Liz Szostak, as well as two other counselors. *Camp I Can* offers the opportunity for girls to grow their social skills, practice emotional management skills, strengthen their kindness and friendship skills and learn about self-identity and conflict resolution. With a social-emotional learning platform, *Camp I Can* will integrate SEL activities and lessons, team-building experiences, fun games, and a place where each student can turn their I "cant's" into "I can's!" For more information, please visit www.campicanforgirls.com. This link will provide the different dates for the camp and registration information. The camp is held at Holy Spirit Catholic School, located in St. Paul, MN.

Registration begins April 8th, and there are limited spots for each grade level. For additional questions, please email Liz at campicanforgirls@gmail.com.
