Believe and Read Literacy Results

We are very excited to share with you the year-end results of our K-3 literacy program. Again this year we saw tremendous growth in our students from last fall to this spring. We reduced the number of students at-risk by over 20% in just one school year! In the fall, 53% of our students were reading at or above grade level, by spring we had 72% of our students reading at or above grade level.

Way to go teachers and students!

Please join us on Thursday, June 9 from 5-7pm. We will have food trucks on hand with food to purchase, games and activities, and fun for the whole family!

We hope that you can join us in celebrating the beginning of our summer vacation! This event is sponsored by our Parent School Association.
