## Lunch for 2022-2023

School Lunches this year will no longer be free through the Federal Lunch Program. The cost is \$3 per lunch, \$1.50 per second entree at lunch, and \$.50 per snack milk or milk with home lunch. Preschool and Pre-K do not have milk at snack and for our Kindergarten students, snack milk is free through the federal program.

Your TADS account will be charged at the end of each month for the lunches, second lunches and milks. This is due by the 15th of each month. Please visit our school website for more information on our [school lunch program](#).

## Free and Reduced Lunch Applications

Your child may qualify for free or reduced-price school meals. To apply, complete the Application for Educational Benefits. A new application must be submitted each year. Your application also helps our school qualify for education funds and discounts.

Children in households participating in the Medicaid/Medical Assistance Program, Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Alternatively, children can get free school meals if their household income is within the maximum income shown for their household size on the instructions.

For questions on the application, please contact our Kitchen Manager, [Mary Lazaro-Hefer](#).

## Unpaid Lunch Policy

If a family account has insufficient funds to pay for lunch meals, The student will be allowed to eat lunch as long as a reimbursable meal is taken, and their lunch account is not negative more than \$50. When a family's lunch account has reached -\$50, school personnel will contact the family via phone with a follow up letter. The family has one week to make the account current and if the account fails to become in good standing, then their child will be denied any lunch services from St. Dominic School.
