News from Fr. Gregory

Dear St. Dominic School family,

I have difficult news to share with you.

I want to inform you that after much prayer and discernment about my role as pastor of St. Dominic and Annunciation, I have asked Archbishop Hebda for permission to move to a new assignment. My last day will be December 31st. I am excited to inform you that a new pastor, whose name will be announced soon, will begin January 1st.

The main reason I have asked for the change is because I have discerned through prayer that it is God's will for me. Additionally, I have come to understand that my administrative and organizational skills are not a good fit for my role as pastor of Annunciation and St. Dominic.

I have loved being involved with St. Dominic School! What a blessing to get to know so many of you parents/grandparents when we visited at the end of the school day as you came to pick up your students. I have great esteem and gratitude for our talented and dedicated faculty and staff. The genuine love and personal care they invest in your children inspires me. They come alongside to assist you in forming your children academically, emotionally, and spiritually.

Thank you for choosing St. Dominic School and please know that I will always keep you in my prayers. Please pray for me.

Yours in Jesus, Fr. Gregory
