Principal's Corner

We are excited to be celebrating I Love to Read month! Here is a calendar of the activities that students will get to complete. We would love to see you come in to be a Mystery Reader in your child's classroom!

If you have not already done so, please register for a conference time with your child's teacher. This is a great opportunity for you to learn more about your child's progress this year!

Blessings,
Jacquelyn Chatelaine

Peace of Mind and Nurtured Heart

Parent Session in February:

Stress, Anxiety, Perfectionism, and Motivation
February 23 at 7pm

Stress and Anxiety are more prevalent now in the lives of school-aged children than ever before. How does perfectionism play into our child's stress and anxiety? How can we teach motivation without feeding perfectionism? This session will address behavioral and biological factors that influence the development of anxiety and perfectionistic tendencies. You will leave with concrete, parenting strategies to combat stress, anxiety, and perfectionism, and learn how to foster self-motivation in our children.
