A "Quick" Note from Art

A new venue for our artists to display this year is City Hall!

44 wonderful SDS artworks are on display on the second floor of the City Hall building on Washington St. Stunning original artworks take up almost the entire hallway, and you have the freedom to walk upstairs to view when the building is open. This show comes down on May 19th.

4th grade parents, please join us to view your students real clay food show and enjoy some breakfast. Small treats, coffee, and juice will be included in the art room "gallery" the mornings of April 17 and 18 from 7:30-9am. Your kids are very excited to share their talents!
