Reminders...

Safety Drills

By law, SDS is required to conduct 10 safety drills per year, not including a Tornado Drill in April. Of those 10 drills, five are Fire Drills and five are Lock-Down Drills. Last week, we successfully conducted our first fire drill. This week we will conduct our first Lock Down

Drill...with a soft landing...talking through the procedure with the students. Parents, you can help ensure our drills are successful by talking to your child about safety in school and supporting your child should they be anxious about the drills.

Mass on Wednesday

Parents, on Wednesday, since there is no morning buss, we appreciate that you drop your children off at school between 7:55 and 8:10 AM. At 8:10, teachers can quickly take attendance and lunch count and then walk over to our 8:20 Mass so as not to be late! If a special circumstance necessitates you dropping your child off at church instead of school, please let your child teacher know. We recommend that you drop your child off at school on Wednesday instead of the church.

Student arrival time

Students who are eating breakfast may arrive at 7:45 AM to eat breakfast. Breakfast is served from 7:45-8:05 AM. The earliest arrival for students who are not eating breakfast and are walkers or being dropped off is 7:55 AM. At 7:55 AM, students may arrive and go to their classrooms.
