Calendar
([Click here](#) for the 2023-2024 school calendar).

It is desirable that teachers and administrators spend their time teaching and leading the school, not enforcing the Dress Code Policy. Therefore, parent/guardian support and management of this policy is expected.

Students who do not adhere to the Dress Code Policy will experience the following steps to correct the problem:

1. At the first occurrence, a warning will be given to the student, and a note will be sent home to the parents.
2. If the situation is not remedied after a warning is issued, the school will verbally notify the parents.
