TICKET INFORMATION!

- You do NOT need a physical ticket.
- A personalized RSVP email was sent on Thursday, February 7th to each account holder. This allows you to register any unallocated tickets or send the link to your guests to fill out themselves! This will help speed up the check in process the night of the event. **Please do NOT put the same name for multiple tickets.**
- Tickets can be updated the night of the event at check in but we encourage you to do this in advance.
- If you are unable to attend the event - we encourage you to let us know.....or you can still register guests so they have access to the silent auction on our Mobile Bidding platform.

To make sure you receive credit for tickets purchased, have the purchaser put your family's name in the "Group" field.

Each family is required to purchase or sell four tickets.

There is still time to purchase tickets:
