St. Dominic School is a Believe and Read certified school powered through Groves Learning Organization.

Each fall, winter and spring our students in K - 3 take a national norm reading assessment. We are thrilled to share more exciting data with you showcasing the growth of our students from fall 2023 to winter 2024 in Kindergarten -3rd grade.

- In the fall, 32% of our students started the year at high risk in oral reading fluency. This improved to no student in the high-risk category in the first 4 months of school.
- The number of students grades 1-3 who are reading at or above grade level increased from 50% in the fall to 78% in the winter.

Our Believe and Read powered by Groves Literacy Partnerships provides proven, science of reading and evidence-based K-3 literacy instruction so that all students learn to read, illuminating the path to enhanced literacy.
