## Eucharistic Miracles Exposition

St. Dominic student in grades 2-8 will walk to Church to view the exposition tomorrow morning, March 4, 2024. See information about the exhibit below.

In the entire history of the Catholic Church, there have been numerous Eucharistic miracles approved by the Catholic Church as truly worthy of belief. The Eucharistic Miracles of the World faithfully recounts many well-documented miraculous occurrences for us. Knowledge of these miracles strengthens our faith in Christ and His Church. They are visible proof of Jesus Christ's Real Presence in the Holy Eucharist," said the Real Presence apostolate, a United States and Canadian connection to the Vatican International Exhibition. "We highly encourage you to schedule a time to view the exhibit during this Year of the Eucharistic Revival."

The Exhibit was created by Blessed Carlo Acutis, a 15-year-old from Milan, Italy, who was beatified on October 10, 2020, and was made available in cooperation with Antonia Salzano Acutis, Curator of the Pontifical Academy Cultorum Martyrum and President of the Institute of Saint Clement I Pope and Martyr, the Real Presence Eucharistic Education and Adoration Association.
