## Eagle Bluff ELC

Attention all St. Dominic School rising Middle School Students (students currently in grades 4-7)...we will be going to Eagle Bluff Environmental Learning Center, September 23-25, 2024!

The cost will be \$175.00 + the cost of a bus ride. All meals are included in the price. We will be doing an Omelet Breakfast fundraiser (to offset the cost of the experience) in the coming weeks and rising Middle School students will be expected to assist.

More details to come. Click the image above for more details about Eagle Bluff!

## Flower Fundraiser Orders must be made by April 19th @ 11:59 pm.

As a reminder, our beloved Spring Flower Fundraiser is back! Like in years past, our school is teaming up with [Pahl's Market](#), in Apple Valley, for a spring flower fundraiser. Please know that this is an optional fundraiser, with no minimum goals, no student or classroom competitions, and no pressure.

**BONUS:** Proceeds from this sale benefit your family's tuition directly! Meaning, if orders are placed, and the order(s) indicate(s) your family name in the order notes section, at check out, a portion of the proceeds will go directly to your tuition! This plant sale has a roughly 40-50% profit rate, making the earning potential for your family significant!

Just like last year, we continue to offer the following options; premium patio pots and premium hanging baskets both in shade or sun. Families that have participated in the past can attest to how beautiful these flowers are!
