WHY IS REGISTRATION BEFORE APRIL 28TH IMPORTANT?

- Students are scheduled with their grandparent or special guest to a specific lunch block based on the number of seats available.
- Name tags with lunch block information are prepared in advance to ensure a smooth flow of guests.
- An accurate lunch count is important. Food needs to be ordered for the amount of meals prepared.
- Grandparents and special guests will receive a small gift, (handcrafted in advance)...an accurate count of how many are attending ensures that all will receive a gift.
