Friendly Reminder: Use the RaiseRight App to Earn Tuition Credit!

Parents — don't forget that every time you use the RaiseRight app (formerly Scrip), you help earn money that goes directly toward your tuition! It's such an easy way to save — just buy gift cards for things you already buy and watch the tuition credit add up.

When do I receive tuition credit?

Tuition credits are calculated once per year in April. Rebates earned from May through April are applied to your current school year. Any rebates earned after April will be credited toward the following school year.
