Thank you to our chaperones, staff and students for an incredible experience at Trinity Woods Faith and Science Camp in Trego, WI. Students had the time of their life engaging in a variety of activities including Zip lining, TEAM building, dissecting Owl Pellets, Archery Tag and Rock Climbing to name a few. Every activity was infused with a beautiful connection to our Catholic World View. Students had Mass and even adoration and the opportunity for reconciliation. Even though the weather wasn't ideal, positive attitudes and infectious energy were ever present. St. Dominic School. and middle school parents...you can be proud of your children and our students.
